

Browning Custom Homes

SPECIALTY: Browning Custom Homes specializes in premium quality custom residential construction, and is known as a company that attends to the smallest detail and exceptional service. **GOAL:** To ensure the highest caliber of work, Browning Custom Homes' priority is not to meet the client's expectations; rather, it is to exceed them. Mike Browning, owner, is determined to see that the Browning name, established by his grandfather in 1935, continues to be one synonymous with success. **PHILOSOPHY:** It is our belief that our past clients are our best advertising. We adhere to impeccable standards of craftsmanship and function on the belief that the building process should be an enjoyable and fulfilling one for our customers.

FREE ADVICE: Check builders' references to ensure quality. Each person considering Browning Custom Homes is given a list of custom homes completed by the company and is invited to call any and all of the homeowners on the list to inquire about their building experiences. **MISSION:** Browning Custom Homes is committed to maintaining a mission by building homes of exceptional quality and value that are tailored to the individual needs of each customer's lifestyle. **MOTTO:** A success story spanning generations. **CONTACT INFORMATION:** PO Box 477, Colleyville, Texas 76034. 817.488.6494. **E-MAIL:** sales@browningcustomhomes.com. **WEB SITE:** browningcustomhomes.com.
